## Heroine

## **Bitch Alert**

Take your things please leave me you better do it soon Something gets to me over and over again I don't mind if it is your day that I spoil Caffeine addiction it feels so good

No more love yous No more broken bones

Take your things please leave me you better do it soon Something gets to me over and over again I don't mind if it was your day that I spoilt Cocaine addiction it felt so good

No more love yous
No more broken bones
Heroine just loves her
Heroine just loves her
I don't wanna love you, love you
