Trust

Bitter Ruin

Dust is settling on my eyelids as I sleep
Tar is sliding down the window through which I see
Somehow it's blacker than these piano keys
I think I've lost the ability to see
I'm so cold through all these clothes
I'm crushed to a pulp
This whisky I gulp
Pour pills down my throat

Unlock me I mean you no harm (Far too risky to feed you with bare arms)
Bite the arm that feeds me real food (Wait your turn you're greedy I hear you)
How do you expect me to tell the truth (How can I protect myself from you)
Trust belongs to you (Trust is for fools)

Don't disguise yourself I'm easy led
Don't pretend you're drunk that whisky's down your dress
And I know those pills are aspirins for your head
An obvious fact cause if they weren't bitch you'd be dead
Well I'm sick of this now, you've crossed the line
Look at you, your state
Wipe the tar off your face
And the dust from your eyes

Far too risky to feed you with bare arms (Unlock me I mean you no harm)
Wait your turn you're greedy I hear you (Bite the arm that feeds me real food)
How can I protect myself from you (How do you expect me to tell the truth)
Trust is for fools (Trust belongs to you)

How can you ask me to trust you again
Did I ask you to trust me at all
How can you tell me you don't want me back
I don't want you around me at all

How can you ask me to trust you again
Did I ask you to trust me at all
How can you tell me you don't want me back
I don't want you around me at all

Far too risky to feed you with bare arms (Unlock me I mean you no harm)
Wait your turn you're greedy I hear you (Bite the arm that feeds me real food)
How can I protect myself from you (How do you expect me to tell the truth)
Trust is for fools (Trust belongs to you)
