

# Sex Is the Best Breakfast

BJ The Chicago Kid

Hey Girl  
Just the smallest thought of you  
Makes me wanna go all night long

When you need my lovin' girl  
You know imma' give it to you  
Just the way you like it girl  
Cause I can do your body so right  
And I'm never too far away  
Never far away from you  
Cause girl ill even take a flight

But now that your here no more hoping and wishin'  
(wishin)  
I got what I've been missin'  
I can tell your body's been yearning  
But my body's been calling for you baby, baby  
I want you to spend the night with me

Cause in the morning  
I wanna lick my lips and still taste you babe (taste  
you babe)  
Plus I'm already horny  
And since I'm already ready so lets get it babe (get it  
baby)  
Cause we all know  
Sex yeah is the best breakfast (ooh)  
Sex yeah is the best breakfast (ooh)  
Sex yeah is the best breakfast
