

# Say No More

Black Buddafly

Love don't let it stop  
Aint nothin gonna come between what we got  
Whoa...  
Whoa Yea...

Look at you look at me  
Look at our history  
We've been through everything  
I mean honestly  
I can't believe that we're still here  
Look at us two together  
See that we're stronger than ever  
& For the better  
We've built our lives around each other  
Into the point of beyond bein lovers  
& I...

Oh... Oh... Oh...  
I don't never want another  
Nothing's gonna stop us  
You got me crazy  
For... For... For...  
Nothings gonna come between us  
We're strong nd we're believers  
No need to say no more

Think of what we've over come  
All the struggles we've managed to somehow get through  
All these years of commitment & still we're brand new  
Think of everythin they said we couldn't do  
But here we are still as one  
&& I'm feelin the love that we got still growin  
We get tired but by day no doubt  
It's yours..  
Single reason to say it again cause we know  
Yea.. Oh..  
&You know that i'm not done withcha  
That's why i refuse to let you Yea.. Yea..  
& I know your missin something  
If you don't have what I'm havin

Oh... Oh... Oh...  
I don't never want another  
Nothing's gonna stop us  
You got me crazy  
For... For... For...  
Nothings gonna come between us  
We're strong nd we're believers  
No need to say no more

We're gonna talk with our words  
Laugh til it hurts  
Nothing compares we're in our own lil world..  
Sure we got our ups & downs..  
But when it comes to being true..  
I got faith in you..  
&I will never question anything you say to me baby

Aint no maybe just hear what i'm saying..

Oh... Oh... Oh...

I don't never want another

Nothing's gonna stop us

You got me crazy

For... For... For...

Nothings gonna come between us

We're strong nd we're believers

No need to say no more
