This fucking city is run by pigs
They take the rights away from all the kids

Understand we're fighting a war we can't win They hate us, we hate them
We can't win, no way

Walking down the street
I flip them off
They hit me across the head with a billy club

Understand we're fighting a war we can't win They hate us, we hate them
We can't win, no way

Nothing I do, nothing I say I tell them to go get fucked They put me away

Understand we're fighting a war we can't win They hate us, we hate them
We can't win, no way

I got to court for my crime Stand in line, pay bail I may serve time

Understand we're fighting a war we can't win They hate us, we hate them We can't win, no way.
