

## Six Pack

## Black Flag

\$35 and a six pack to my name  
SIX PACK!  
Spent the rest on beer so who's to blame  
SIX PACK!  
They say I'm fucked up all the time  
SIX PACK!  
But I know they're a waste of time  
SIX PACK!

I know it'll be OK  
When I get a six pack in me, that's right

My girlfriend asked me which one i like better  
SIX PACK  
I hope the answer don't upset her  
SIX PACK  
I was born with a bottle in my mouth  
SIX PACK!  
Now I've got six so I'll never run out  
SIX PACK!

I know it'll be OK  
When I get a six pack in me, that's right
