

# Wasp / Behind the Wall of Sleep / Basically / N.I.B.

Black Sabbath

The intro to this song has a separate title, it's called Wasp  
Precious cups within the flower  
deadly petals with strange power  
faces shine a deadly smile  
back up on you at your trial  
Chill and numbs from head to toe  
icy sun with frosty glow  
Why'd you go reaching your sorrow?  
why'd you go read no tomorrow  
Feel your spirit rise with the priest  
feel your body falling to its knees  
Take your walk of remorse  
take your body to a corpse  
take your body to a corpse  
take your body to a corpse  
if you want all remorse  
take your body to a corpse  
Now from darkness, there springs light  
Wall of Sleep is cold and bright  
Wall of Sleep is lying broken  
Sun shines in, you are awoken

it's gone!

Some people say my love cannot be true  
Please believe me, my love, and I'll show you  
I will give you those things you thought unreal  
The sun, the moon, the stars; all bear my seal

Oh yeah!

Follow me now and you will not regret  
Living the life you led before we met  
You are the first to have this love of mine  
Forever with me 'til the end of time

Your love for me has just got to be real  
Before you know the way I'm going to feel  
I'm going to feel  
I'm going to feel

Oh yeah!

Now I have you with me, under my power  
Our love grows stronger now with every hour  
Look into my eyes, you'll see who I am  
My name is Lucifer, please take my hand

Oh yeah!

Follow me now and you will not regret  
Leaving the life you led before we met  
You are the first to have this love of mine  
Forever with me 'til the end of time

Your love for me has just got to be real  
Before you know the way I'm going to feel

I'm going to feel  
I'm going to feel

Oh yeah!

Now I have you with me, under my power  
Our love grows stronger now with every hour  
Look into my eyes, you will see who I am  
My name is Lucifer, please take my hand
