Disappointing change in seasons cold has come again.
Streets are flooded with excuses stories never end.
People walk in their delusion wading through despair.
We must come to stand as one and take the cross they bare.

So we will try not to cry
when we're walkin' in their shoes.
Have you heard the news?
Hey have you seen the blind man in disguise,
Lookin' for his eyes?
Hey have you seen the rain man
lookin' to the sky, Beggin' for sunlight?
The darkest times ain't always at night

A man will hold a sign and preach "This world will not stand". We are all among the scared, so will you hold my hand.

So We will try not to cry when we are walkin' in their shoes.

Have you heard the news?

Hey have you seen the blind man in disguise,

Lookin' for his eyes?

Hey have you seen the rain man

lookin' to the sky, Beggin' for sunlight?

The darkest times ain't always at night

So We will try not to cry when we are walkin' in their shoes.

Have you heard the news?

Hey have you seen the blind man in disguise,

Lookin' for his eyes?

Hey have you seen the rain man

lookin' to the sky, Beggin' for sunlight?

The darkest times ain't always at night
