Crosstown Woman

Black Stone Cherry

I am just a man of blood and bone And simple means That old bossman works my body long and hard But on the weekends you know I'm free

Got me a crosstown woman Got me under her spell Got me a crosstown woman She's like my heaven with a whole lot of hell

I have seen the girls of New York City And the Frisco bay But there ain't no woman on this earth, make me feel her voodoo Quite the same

Got me a crosstown woman Got me under her spell Got me a crosstown woman She's like my heaven with a whole lot of hell

Woo ooh woo ooh Woo ooh woo ooh woman Woo ooh woo ooh Woo ooh crosstown woman

Got me a crosstown woman Got me under her spell Got me a crosstown woman She's like my heaven with a whole lot of hell She's my Crosstown Woman
