

Stay

Black Stone Cherry

Id sell my soul just to see your face
And id break my bones just to heal your pain
And in these times I need a saving grace
Cuz time is running out and I'm starting to lose my faith

R: But if I told you I loved you would it make you wanna stay
I'm sorry for the way I make you feel day after day
And if I wrote you a love song and sang it to you everyday
Would it ever be enough to make you wanna come back home to
stay
Would it make you, make you wanna stay.

My hearts on my sleeve but its turning black
And without your touch I'm not gonna last
It feels like my walls are cavin in
And ill do anything to have you here again

R:

The days are cold the nights are long
and I cant stand to be alone
Please know this is not your fault
And all I want is to tell you I love you
And make you wanna stay.
I'm sorry for the way I make you feel day after day
And if I wrote you a love song and sang it to you everyday
Would it ever be enough to make you wanna come back home to sta
y

Would it make you, make you wanna stay
(I'm sorry for my ways)
Would it make you, make you wanna stay
(will it ever be enough)
Would it make you, make you wanna stay
