

Love Isn't Always Fair

Black Veil Brides

One look and I am sold
You got me on my knees
You steal all my innocence
A love sick melody

Take me...

You always want the one that you can't have
'Cause Love Isn't Always Fair
You are the best romance I've never had
'Cause Love Isn't Always Fair

Your kiss a withered rose
Your lips have buried me
Hearts race the moments gone
We shared this fantasy

Take me...

You always want the one that you can't have
'Cause Love Isn't Always Fair
You are the best romance I've never had
'Cause Love Isn't Always Fair

Kneel and pray for closure baby
This is the ride that we're on, oh
And i'm taking what you give to me
Never want it to stop,
I want it all

In this temporary love

You always want the one that you can't have
'Cause Love Isn't Always Fair
You are the best romance I've never had
'Cause Love Isn't Always Fair

(Woah oh oh oh
Oh oh oh oh...)

Love Isn't Always Fair!
