

Perfect Weapon

Black Veil Brides

Awake at night you focus
On everyone whose hurt you
And write a list of targets...
Your violent lack of virtue

Leave us alone!
You're on your own!
Go!

We are breathing while your sleeping
Go!
And leave us alone
The lines cheated
Our hearts beating
Go!
And now you're on your own

Here's to your perfect weapon
Crack bones with blind aggression
Like birds whose wings are broken
You live without direction...

Leave us alone!
You're on your own!

We are breathing while your sleeping
Go!
Now leave us alone
The lines cheated
Our hearts beating
Go!
And now you're on your own

Go!
Go!
Go!
Go!
And now you're on your own!
Go!
Go!
And leave us alone!

We are breathing while your sleeping
Go!
And leave us alone
The lines cheated
Our hearts beating
Go!
And now you're on your own
