Blackstreet

Wizzy wow, wow, uh, wizzy wow
Uh, wizzy wizzy wow, uh, wizzy wizzy wizzy wow
Uh, wizzy wow, wizzy wizzy wizzy wizzy wow
Uh, wizzy wizzy wow, wizzy wizzy wow

Drop a top, what's that make you say
Sleep with the top, let that make you say wow
Pop in approach, makin' the industry wow
I can do a baller like 20 seconds like wow

Pick up a trick and the body's like wow
[Incomprehensible] throwin' the face was like wow
Went to the crib and her mouth dropped like wow
Took off her clothes and then there always was trouble

Yo?, this girl was so kinky like wow
The cranium was crazy, it made me shout wow
Touchin' her clothes with her hands and meanwhile
She got me in her carpet and sweatin' like wow

I can't be greedy, that's not correct, wow
Phat expressin' her to my peeps, that's wow
Hit up my dawg on a two, he hollered wow
He called my cell and said,
