Rock n' roll is do or die and I wanna live and give what I can

[Chorus:]
no one's gonna stop me
you'll see that it's true
kick in the wall
revolution make it thru
people always tellin' me
I should keep it down
but if it's too loud
then yer too old-you fuckin' fool!

## [Chorus]

unity thru rock n roll and all these I adore positive force thru me and you and we will rule the world
