

Streets Of Baltimore

Bleed The Dream

I must've drove this street a millions
at least a thousand times before
its always beautiful in the fall time
to walk the streets of baltimore

And you say that things would stay the same
but i know i'm gonna miss the changing of the leaves this year
and i know i'm gonna make it back there
as soon as i find myself

I use to fall asleep at double rock without a penny to my name
that's what made me dream my dreams
because i had everything to give

And you say that things would stay the same
but i know i'm gonna miss the changing of the leaves this year
and i know i'm gonna make it back there
as soon as i find myself

Soon as i find myself
i'm gonna make it back there
but i know i'm gonna miss the changing of the leaves this year
and i know i'm gonna make it back there
as soon as i find myself

And i know i'm gonna miss the changing of the leaves this year
and i know i'm gonna make it back there
as soon as i find myself
