Show Me What You Got

Blessed By A Broken Heart

I won't bow down To the god of this wold False prophets who sell Their souls for silver and gold I won't rest until Your idols fall to the ground Just try and stop me Just try and stop me now So take your best shot Show me what you got So take your best shot Is that all you got I'm not going to be afraid Tonight, I'm not gonna run away I'm not going to be afraid Tonight I'm ready Show me what you got You think you're so tough Take your best shot Is that all you got Come on, come on If God is for us Who can be against us
