

Better Side of Me

Blessid Union Of Souls

I wasn't myself
There for a while
There was a tear in my half smile
That you could see a mile away
I had to change
I didn't mind
Truth is it was about time
And there was no way I was
Losing you
So I want you to know
I'm gonna show
The better side of me
I want you to see
The man underneath
The better side of me
Come look inside
You're gonna find
The better part of me
I'm not the same
Person you knew
The one that used to hurt you
I had to leave him far behind
So it's safe to fall
Into my arms
Knowing I will catch you
Cause I want to give you
Peace of mind
So wherever we go
I'm gonna show
The better side of me
I want you to be
The first one to see
The better side of me
Looking in my eyes
And there you will find
The better part of me
And I just want to apologize for wasting so much time
When all along I knew that there was only
You for me
So from this moment on
You can hold on
To the better side of me
You can believe
That you're gonna see
The better side of me
Deep in your eyes
That's where I find
The better part of me
