

Somebody Else

Bleu

What if I was alright
What if I wasnt wound so tight
What if I had the balls to be bad
Would you still look at me like that
Would you be mad that I had held the old me back

Why cant I be somebody else
Somebody who isnt too cool to believe its ok to be just
me

Maybe I was too much
Maybe Ill take it down at notch
Maybe I have the guts to go mad
Maybe I mess me up real bad
Maybe I'll make you wish you had the old me back

Why cant I be somebody else
Somebody who isnt too cool to believe its ok to be just
me

What if I cant remember who Im tryin to be
Why cant I be somebody else
Somebody who isnt too cool to believe its ok to be just
me
Just me...
