

# Nightfall

## Blind Guardian

No sign of life did flicker  
In floods of tears she cried  
"All hope's lost it can't be undone  
They're wasted and gone"

"Save me your speeches  
I know (They blinded us all)  
What you want  
You will take it away from me  
Take it and I know for sure  
The light she once brought in  
Is gone forevermore"

Like sorrowful seagulls they sang  
"(We're) lost in the deep shades  
The misty cloud brought  
(A wailing when beauty was gone  
Come take a look at the sky)  
Monstrous it covered the shore  
Fearful into the unknown"  
Quietly it crept in new horror  
Insanity reigned  
And spilled the first blood  
When the old king was slain

Nightfall  
Quietly crept in and changed us all  
Nightfall  
Quietly crept in and changed us all  
Nightfall  
Immortal land lies down in agony

"How long shall we  
Mourn in the dark  
the bliss and the beauty  
Will not return  
Say farewell to sadness and grief  
Though long and hard the road may be"  
But even in silence I heard the words  
"An oath we shall swear  
By the name of the one  
Until the world's end  
It can't be broken"

Just wondering how  
I can still hear these voices inside

The doom of the Noldor drew near

The words of a banished king  
"I swear revenge"  
Filled with anger aflamed our hearts  
Full of hate full of pride  
We screamed for revenge

Nightfall  
Quietly crept in and changed us all

Nightfall  
Quietly crept in and changed us all  
Nightfall  
Immortal land lies down in agony

"Vala he is that's what you said  
Then your oath's been sworn in vain  
(But) freely you came and  
You freely shall depart  
(So) never trust the northern winds  
Never turn your back on friends"

"Oh I'm heir of the high lord!"  
"You better don't trust him"  
The enemy of mine  
Isn't he of your kind and  
Finally you may follow me  
Farewell  
He said

Nightfall  
Quietly crept in and changed us all  
Nightfall  
Quietly crept in and changed us all  
Nightfall  
Immortal land lies down in agony

Back to where it all began
