

Home Is Such a Lonely Place

Blink-182

We're falling faster than we can fly
Forgotten seconds out on Sunset Drive
And I hold on tight
But not enough to hold you back

It feels like the moon
Is spinning off into outer space without you
This room is such a lonely place without you

I wish that we could save today
But I know we can't stay the same
And I keep pushing you away
Don't wait for me
Don't wait for me

Home is such a lonely place without you
Home is such a lonely place

I love the lightning but hate the rain
Tomorrow's frightening but not today
Wish I could slow down time
But not enough to slow you down

I feel like the moon
Is spinning off into outer space without you
The universe an empty place without you

I wish that we could save today
But I know we can't stay the same
And I keep pushing you away
Don't wait for me
Don't wait for me

Home is such a lonely place without you
Home is such a lonely place

We're falling faster than we can fly
Forgotten seconds out on Sunset Drive

I wish that we could save today
But I know we can't stay the same
And I keep pushing you away
Don't wait for me
Don't wait for me

I wish that we could save today
But I know we can't stay the same
And I keep pushing you away
Don't wait for me
Don't wait for me

Home is such a lonely place without you
Home is such a lonely place

Home is such a lonely place
