Get Your Boof On

Ah, put that away darling, goodness gracious you going to embarress me in front of this lot It's certainly fine darling. Is my bow tie on properly? good, good, good. Ahem, mic check

Now Ladies and Gentlemen hurry now to your seats the shows about to begin and my word you're in for a treat. Buckle up your belts now. Hold on to your knickers at all costs as we welcome you to part 2 of pigs in a porn trough.

It's like my lifes a song and everyone knows that if my lights are on then everyone's home and that's a serious shindig a guaranteed fix cause even 20/20 motherfuckers haven't seen shit I want the fans and my show to put the mosh in pit Barbecuing with my crew chillin' off my tits with a maid that'll slave cook and wash my dick in a house that I own didn't cost me shit

So just bounce, we up in the club bumper to bumper I just wanna jump in the bunker and hump her like thumper and misses Permie's ass wouldn't stop buzzin and shakin I wanna take her to the shed (for hot lovin relations) Just let the touch of fudge spillin out the top of your bridges I wanna put you on a plate and suck you up with a biscuit The twisted man on the job when you aint lovin her right Perverted poetical plumber that's plugging her pipe

Ayo Ladies (yea) does rubbin a nub make you crazy? (Yea) You got tits and buts with no maybes? (Ohh yea) Well answer me this, do you love a good boofin? Well? (Hell yea) Ayo Gentlemen (yea) you ready to up jump and represent? (Yea) if shes game and you game you adventures? (Yea) You got that look in your eyes now everybody break the ice and get your boof on tonight

I got my willie in you mouth hoe Sydney's in the house bro, ridin free lighting we chillin on the couch blown and theres no holding it in Roll out your red rug love and give me that Dolmio grin Ohh I'm that stench trench digger like dirk workin your lawn Servin the words of this song got birds slurping my shlong watch it grow huge now my tower that's made of wood that that just rolls though towns to deflower the native bush See they might have money for electrol rolls but I got these minga's pinging wishing they had extra hoes So let me plat your puss while I hang you from your undies (hehehehe) no, no in the morning just a kanger in your undies See I just tickle your nipples and give you giggles to you stomach flip you and hit you and just watch shock waves ripple up your buttocks Make you scream like gale weather when I'm dippin in your clit as I ream your tail feather and leave your knickers in a twist.

Bliss n Eso

(Yea) You got that look in your eyes now everybody break the ice and get your boof on tonight

Yo we got budda and bootie to blaze and bounce when we chill consumed by hooters that truly make me bounce on her frills (ha, ha, ha) Fireplace fondling fingers in your fun house growlin out mother nature till its sundown. Well it's the toxic bug, the gov rocks the club and if you fly I'm the pilot for your cockpit love Bathin with black bootie booties like the prince of Zamunda love is blind rich is prior like (punta, punta, punta) I might be beady with my pipe but just navel captain Shabby will not explore down under unless you shave your map of Tassie Too right govner aint nothing knew to this cunty so drop you dacks young love so I ?? you in your undies There was a beaver two calves when I found her lair a hundred crabs and an ass with a thousand hairs. A purring pussy that plays head tricks on my mind and an oily oyster and a dead fish I can't find.

Ayo Ladies (yea) does rubbin a nub make you crazy? (Yea) You got tits and buts with no maybes? (Ohh yea) Well answer me this, do you love a good boofin? Well?
