## Obscene

**Bloc Party** 

If you must ask you were in my heart always. If I did not comfort you or say the right things You were here every time I looked within I don't know where I've been All I really know is this seems obscene Forgive me for what you've seen All I really know is I've been obscene to you I wish you luck

Every breath was for you, Even though you won't believe me And as I walk away tears flow in my eyes We both know that this love was never right I don't know where I've been But all I really know is this seems obscene Forgive me for what you've seen All I really know is I've been obscene to you I wish you luck, I wish you luck
