

## The Prayer

Bloc Party

Lord give me grace and dancing feet  
And the power to impress  
Lord give me grace and dancing feet  
Let me outshine the moon

Is it so wrong to crave recognition?  
Second best, runner-up  
Is it so wrong to want rewarding?  
To want more than is given to you?  
Than is given to you

Tonight make me unstoppable  
And I will charm, I will slice  
I will dazzle them with my wit  
Tonight make me unstoppable  
And I will charm, I will slice  
I will dazzle, I will outshine them all

Standing on the packed dance floor  
Our bodies thrown in time  
Silent on the weekdays  
Tonight I claim what's mine

Is it so wrong to crave recognition?  
Second best, runner-up  
Is it so wrong to want rewarding?  
To want more than is given to you?  
Than is given to you

Tonight make me unstoppable  
And I will charm, I will slice  
I will dazzle them with my wit  
Tonight make me unstoppable  
And I will charm, I will slice  
I will dazzle, I will outshine them all

Tonight make me unstoppable  
And I will charm, I will slice  
I will dazzle them with my wit  
Tonight make me unstoppable  
And I will charm, I will slice  
I will dazzle, I will outshine them all
