

## Demon On The Run

Bloodgood

There's a lesson waiting to be learned  
A proud person dying to be burned  
A baby ready to be cleansed  
And a harlot trying to make amends  
Anger in a young man's heart  
With a vengeance breaking apart  
A wild dog bleeding inside  
For a piece of someone's hide  
But remember when the curtain tore  
The enemy began to roar  
Thinking he had won the fight  
Not knowing the power of the Light  
But He rose up in three days  
After overcoming the grave  
Now the wild dog bleeding inside  
Has to run and has to hide  
Demon on the run  
Demon on the run  
Demon on the run  
Demon on the run  
The Lord has taken command  
The Kingdom of God is at hand  
He lives in you and me  
Oh the Lamb has set us free  
By the power of His grace  
Only He reserves a place  
For each and everyone  
Who believes in His Son  
Demon on the run  
Demon on the run  
Demon on the run  
Demon on the run  
Demon, demon you've been screamin'  
He's got ya on the run  
Demon, demon you've been beaten  
By the Son!
