

Calling You

Blue October

1. There's something that I can't quite explain
I'm so in love with you - You'll never take that away
And if I said a hundred times before
expect a thousand more - You never take that away

X: Well expect me to be
calling you to see
if you're ok when I'm not around
asking if you love me
I love the way you make it sound
Calling you to see
do I try too hard to make you smile
to make a smile

R: Well I will keep calling you to see
if you're sleepin' are you dreamin' and
if you're dreamin' are you dreamin' of me
I can't believe you actually picked...me

2. I thought that the world had lost its sway
(it's so hard sometimes)
then I fell in love with you (then came you)
and you took that away
(it's not so difficult, the world is not so difficult)
you take away the old, show me the new
and I feel like I can fly when I stand next to you
so what if I'm on this phone a hundred miles from home
I take the words you gave and send them back to you

X: Well expect me to be...

R: Well I will keep...
