

One Light Left In Heaven

Blue Rodeo

I pulled myself out of the mess
So everyone could breathe
I took the red-eye home
I was the only one to leave
When looks are daggers
Words are guns
Every hope is gone
The sadness in your eyes
Just lingers on and on

Away
One light left in heaven
Away
High above the clouds
Away
The light goes on forever
I wish we'd stay up here
Never come down

You know I'll wait here for you
I'll wait here for you
No matter where you go
Or what you put me through
And I don't know if you'll come back to me
But baby if you do
I'll be waiting for you

I moved myself around a bit
I thought I'd landed safe
But then I caught a glimpse
Of what was hidden in your face
You looked me in the eye
And told me everything was true
Now we know the distance
Between me and you

Away
One light left in heaven
Away
High above the clouds
Away
The light goes on forever
I wish we'd stay up here
Never come down

You know I'll wait here for you
I'll wait here for you
No matter where you go
Or what you put me through
And I don't know if you'll come back to me
Baby if you do
I'll be waiting for you

Summer makes me restless
And I can't get by alone
I know that's you that's calling
But I don't pick up the phone

The day you started wandering
I guess I lost my faith
I sit here now to wait and see
What's coming in its place

Away
One light left in heaven
Away
High above the clouds
Away
The light goes on forever
I wish we'd stay up here
Never come down

You know I'll wait here for you
I'll wait here for you
No matter where you go
Or what you put me through
And I have walked this floor for hours and hours
Underneath the moon
And I am slowly disappearing here
Just a ghost that's shining through

And I don't know if you'll come back to me
Or if I want you to
I'll be waiting for you
I don't know if you'll come back to me
Or if I want you to
I'll be waiting for you
