

## Heartache No. 9

Blue System

She was a working girl, no time, no money  
A crazy world, 'cause she's so lonely  
She was so upset, was alone, oh, in her bed

She was crying too much, on her lonely rainbow  
There was no touch, only TV shows  
She was so alone, had no friend, no fun, no home

Oh it's a heartache no. 9, ooh, this morning  
Another lonely day, the sky is falling  
Friday, Saturday, Sunday afternoon

Oh, it's a heartache no. 9, ooh, this morning  
And no friend, nobody's calling  
Friday, Saturday, Sunday afternoon

Oh, there's no smoke, there's no fire  
You cannot stop a real desire  
She was so alone and her heart was like a stone

Oh, jealousy is such a mystery, babe  
Kill my love, when it's too late, girl  
She was so alone, had no friends, no fun, no home

Oh, it's a heartache no. 9, ooh, this morning  
Another lonely day, the sky is falling  
Friday, Saturday, Sunday afternoon

Oh, it's a heartache no. 9, ooh, this morning  
And no friend, nobody's calling  
Friday, Saturday, Sunday afternoon

Oh, it's a heartache no. 9, ooh, this morning  
Another lonely day, the sky is falling  
Friday, Saturday, Sunday afternoon

Oh, it's a heartache no. 9, ooh, this morning  
And no friend, nobody's calling  
Friday, Saturday, Sunday afternoon  
Oh, it's a heartache no. 9
