## You Are An Angel

## **Blue System**

It's a tough, tough world we're living in
Between a man and a woman
Come, close your eyes

There is love, when you're alone There's no friend, no stepping stone And your heart is only crying, baby The wind will fly you home

Blue eyes crying in the rain Love is like a violin Oh, I never knew heaven could speak But I'll promise just my heart

You are an angel, hallelujah You are an angel, hallelujah When a woman loves a man, it's raining hearts Oh hallelujah, oh hallelujah

You are an angel, hallelujah You are an angel, hallelujah When a woman loves a man, it's raining hearts Oh hallelujah, oh hallelujah

You are only seventeen
There's no friend, no help, it seems
And the guys are only laughing, baby
I promise from my heart

You can run but you can't hide There's a heart behind your pride Oh, you're running straight to paradise When God gives love to you

You are an angel, hallelujah You are an angel, hallelujah When a woman loves a man, it's raining hearts Oh hallelujah, oh hallelujah

You are an angel, hallelujah You are an angel, hallelujah When a woman loves a man, it's raining hearts Oh hallelujah, oh hallelujah

You are an angel
