

You Don't Have To Love Me

Blues Traveler

The world is coming to an end; it's gonna fall into the sea
The ice caps are all melting but you're still mad at me
And all your reservations will be washed upon the sand
But you don't have to love me

Tonight I'll be your man
Yeah you don't have to love me
Cause tonight I'll be your man

Life in the Big Easy will probably never be that way
Sweet Lucinda Williams takes the glory over the fame
But you and I, we're dreamers; they're gonna catch us in the end
But you don't have to love me
Tonight I'll be your man
Yeah you don't have to love me
Cause tonight I'll be your man

If you don't love me
You don't have to explain
If you don't want me
We'll just play this little game
With everything that's going wrong
Each day could be our last
You don't have to love me
You don't have to love me
But tonight I'll be your man

But you don't have to love me
Tonight I'll be your man
Yeah you don't have to love me
Cause tonight I'll be your man
Yeah you don't have to love me
Tonight I'll be your man
Yeah you don't have to love me
Cause tonight I'll be your man

Tonight I'll be your man
