

# The Siren

Blutengel

I watch the sky, I watch the rain,  
but everything I see is you  
My whole world goes down in flames,  
but everything I see is you

I am addicted to the words you say  
I am addicted to the games you play  
I am not strong enough to break free,  
as long as you put your spell on me

Why don't you stay away?  
I am the siren who is hunting you  
I don't belong to you  
I sing my song of temptation to you  
Why don't you stay away?  
Worship me for eternity  
I don't belong to you  
Sacrifice your life to me

Why did you not abandon me?  
I can't stand it anymore  
Why don't you stop playing tricks on me?  
I can't stand it anymore

I am addicted to the words you say  
I am addicted to the games you play  
I am not strong enough to break free,  
as long as you put your spell on me

Why don't you stay away?  
I am the siren who is hunting you  
I don't belong to you  
I sing my song of temptation to you  
Why don't you stay away?  
Worship me for eternity  
I don't belong to you  
Sacrifice your life to me

I am the siren who is hunting you  
I am the siren who is hunting you

Why don't you stay away?  
I am the siren who is hunting you  
I don't belong to you  
I sing my song of temptation to you  
Why don't you stay away?  
Worship me for eternity  
I don't belong to you  
Sacrifice your life to me
