## **Shake Shake Mama**

## **Bob Dylan**

I get the blues for you baby when I look up at the sun I get the blues for you baby when I look up at the sun Come back here, we can have some real fun

Well it's early in the evening and everything is still Well it's early in the evening and everything is still One more time, I'm walking up around the hill

Shake shake Mama like a ship going out to sea Shake shake Mama like a ship going out to sea You took all my money and you gave it to Richard Lee

Down by the river judge Simpson's walking around Down by the river judge Simpson's walking around Nothing shocks me more than that old clown

Some of you women, you really know your stuff
Some of you women, you really know your stuff
But your clothes are all torn and your language is a little too rough

Shake shake Mama, shake until the break of day Shake shake Mama, shake until the break of day I'm right here baby, I'm not that far away

I'm motherless, fatherless, almost friendless too I'm motherless, fatherless, almost friendless too It's Friday morning going to Franklin Avenue

Shake shake mama, raise your voice and bay Shake shake mama, raise your voice and bay If you're goin' on home, better go the shortest way
