

# Dazzled by You

Bob Geldof

In abandoned empty rooms  
Lying naked in my ruin  
I was dazzled by you  
Dazzled by you

I was whipped and I was raw  
When I looked up and I saw you  
Dazzled by you  
I'm dazzled by you

See, I have barely survived  
Saw no point in being alive  
I was dazzled by you  
Dazzled by you

And with the cold and bitter venom  
I hated each and every woman  
I was dazzled by you  
Hum, dazzled by you

That's right

Dazzled by you

In the midst of my despair  
I was coming up for air  
I was dazzled by you  
Ooh, dazzled by you

Oh, with your soft and tender touch  
You gently picked me up  
I was dazzled by you  
Dazzled by you  
(Dazzled by you)

Dazzled by you  
Dazzled by you  
Dazzled by you  
Dazzled by you  
(Dazzled by you)

Ah, dazzled by you  
Dazzled by you  
Dazzled by you  
Dazzled by you

Dazzled by you
