

Bin Laden And The Jets

Bob Rivers

Hey kids have you see Osama
We haven't heard a thing
Since he telephoned his mama

We checked his favorite cave, he didn't stick around

We're gonna have to send some troops to hunt the bastard down

Hey Taliban clerics, gonna make them sweat
They're gonna need those towels
B-B-B-Bin Laden and the jets

Radicals think that he's wonderful
Al-Queda thinks he's really keen
He's got a bunch of goofs that he calls troops
You know he's sponsored by a puppet regime ohhh

B-B-Bin Laden and the jets

Binny,
Binny,
Binny,
Bin Laden and the jets
Jets
Jets
