Lorena

Bob Schneider

They?re gonna put you out in the streets, Lorena
They?re gonna dance upon your grave
They?re gonna lock up your heart and throw away the key
So you better watch out honey how you behave

Now you can run around forever
Inside that big ole head of yours
But your gonna find the answers aren?t easy
But you ain?t ever gonna know for sure

They?re gonna put you out in the streets, Lorena One day they?re gonna come after you They?re gonna tie you right down to the table They?re gonna make all your nightmares come true

'Cause you can?t get away with nothing Your conscience gonna give you away You can?t play with fire forever Yeah and not get burnt they say

They?re gonna put you out in the streets, Lorena Those demons you keep locked away All them shiny skeletons in your closet Gonna break free and get you one day

Oh and I?d like to be there when it happens Oh, I?ve got my own demons too you know Oh, I?d like to be their baby 'Cause mine got me a long time ago

They?re gonna put you out in the streets Lorena
They?re gonna sing and dance upon your grave
They?re gonna lock up your heart and throw away the key
You better watch it believe you me

Lorena, believe me, Lorena For leaving me, Lorena
