Headin' out on some uncharted path
You soon turn back
It happens time and time again
You never seem to reach the end
Someone's out there on the street tonight
When things go wrong
He'll guarantee to make them right
If the price is right

Every time I look you're fallin' fallin' Beaten by the wind Every time I turn around he's there again

It's like a full force gale
An American storm
You're buried far beneath a mountain of cold
And you never get warm
It's like a wall of mirrors
You charge `em at full speed
You cover up - you hear the shattering glass
But you never bleed
You never feel the need

Everybody casts a certain light
A special gift
It's theirs to use for wrong or right
When you face the night
More and more we choose the easy way
We take no risks
We figure out which games to play
And how to make 'em pay

Suddenly the pressure's fallin' fallin' Skies have all turned grey Suddenly the storm is heading straight your way

It's like a full force gale Atop a mountain of cold You tell your story again and again And it never gets old It's like a wall of mirrors You charge 'em at full speed You cover up - you hear the shattering glass But you never bleed You face a full force gale An American storm You're buried beneath a mountain of cold And you never get warm - no you never get warm You face a wall of mirrors You charge 'em at full speed You cover up - you hear the shattering glass But you never bleed You never feel the need
