

# Groupie

Bob Sinclar

She can be your groupie boy  
You can treat her like a toy  
Groupie come and groupie dumb  
Groupie fun has just begun

She can be your groupie boy  
You can treat her like a toy  
Groupie come and groupie dumb  
Groupie fun has just begun

Groupie boy  
Boy, boy

You wanna turn me on  
You wanna turn me on  
You wanna slap my ass  
You wanna use me  
You wanna take me home  
You wana hold me close  
You wanna own my hand  
You wanna use me

You can't use me  
You can't use me  
Excuse me, I ain't groupie  
Groupie, groupie  
Excuse, excuse me I ain't no groupie

She can be your groupie boy  
You can treat her like a toy  
Groupie come and groupie dumb  
Groupie fun has just begun

She can be your groupie boy  
You can treat her like a toy  
Groupie come and groupie dumb  
Groupie fun has just begun

Groupie boy  
Boy, boy

You wanna turn me on  
You wanna slap my ass  
You wanna use me  
You wanna take me home  
You wana hold me close  
You wanna own my hand  
You wanna use me

You can't use me  
You can't use me  
Excuse me, I ain't groupie  
Groupie, groupie  
Excuse, excuse me I ain't no groupie

You've gotta have it your way  
But I don't think it's ok

So find someone else to play  
Can be your groupie  
Just for one night  
Groupie, you can have it all night

Groupie (repeat)

Go find a beauty to be your groupie

You wanna turn me on  
You wanna slap my ass  
You wanna own my hand  
You wanna use me

Excuse me, I ain't no groupie
