

Liza

Bobby Darin

Liza, Liza, skies are grey
But if you smile on me all the clouds will roll away
Liza, Liza, don't delay
Come, keep me company, and the clouds will roll away

See the honey moon shinin' down
We should make a date with Parson Brown
So Liza, Liza, name the day when you'll belong to me
And the clouds will roll away

See the honey moon shinin' down
Oh, Liza, we should make a date with Parson Brown
So Liza, Liza, c'mon, name the day when you'll belong to me
And the clouds will roll away
