Jubilee

Bobby McFerrin

There's excitement in the air and everywhere there's music and love to share everyone is free with everything we're pleased these great abilities we'll work 'em in you'll see the jubilee

here's more than you will need take a joy filled on some happy fuel feel however you feel your feelings through and to it be true welcome in the new

Where happiness abounds there it can be found here, here inside the heart and when nothing comes apart there's a brand new star arising

Dancing on the sea not impossibly miracles a rule come and change your mind you don't have that much time wasted life's a crime love guarantees you'll find the jubilee
