

Two Story Town

Bon Jovi

I couldn't sleep
Took a walk down second Avenue
Sick of dreamin dreams that never come true
One way street and I know where it's leading to

There's a "For Sale" sign on the front door of the city hall
The subway line got graffiti crawling off the wall
I could take a hit but I ain't gonna take the fall

Oho, that's just one side of the story
Oho, in this two story town

R1: It's just the same old sights
and the same old sounds
I want to take my car and drive out of this two story town
It's the same old ship going down
I'm going down, down, down, down,down
It's a two story town

There's a girl that I sleep with
She's got ecstasy eyes
He promised her roses and American pie
I called her and my demons
And I kissed them both goodbye

Seven days of mondaya morning
In a two story town

R2: It's just the same old sights
and the same old sounds
I want to take my horse and ride out of this merry-go-round
It's the same old ship going down
I'm going down, down, down down, down
It's a two story town

One shot to make a move now
The ghosts are calling me out

(solo)

And me I'm just one story
In a two story town
But you're never gonna find me in the lost and found

R2: It's just the same old sights...

R3: It's just the same old sights and the same old sounds
I want to take my horse and ride out of this merry-go-round
I won't give in and I won't back down
I'm going down, down, down, down, down
I ain't going down, down, down, down, down
I'm never going down, down, down, down, down
It's a two story town
