

# We Got It Going On

Bon Jovi

Is there anybody out there looking for a party?  
Shake your money maker, baby smoke it if you got it.  
We just wanna have some fun if you don't wanna kiss this  
Everybody raise your hands come on I need a witness.

We got it goin' on  
We'll be banging and singing just like the Rolling Stones  
We're gonna shake up your souls, we're gonna rattle your bones,  
'cause we got it goin' on.  
Ah ha ha. Ah ha ha. Yeah yeah. Ah ha.

You got a ticket to kick it, I wanna hear you scream now.  
'Cause tonight you got the right to let your hair down.  
Everybody's getting down, we're getting down to business  
Insane, freak train, you don't wanna miss this.

We got it goin' on  
We'll be banging and singing just like the Rolling Stones  
We're gonna shake up your souls, we're gonna rattle your bones,  
'Cause we got it goin' on.  
Ah ha ha. Ah ha ha. Hey yeah. Ah ha.  
Ah ha ha. Ah ha ha. Hey yeah. Ah ha.

And now a public service announcement from my country cousin.  
Big Kenny, talk to the people.

Brothers and sisters,...

Yes!

...we're here to come together as one  
And love everybody.

Can I get an amen now?

Amen!

We got it goin' on  
We got it goin' on  
We got it goin' on  
We'll be banging and singing just like the Rolling Stones  
We're gonna shake up your souls, we're gonna rattle your bones,  
We got it goin' on.

Gettin' down with Big and Rich and Richie, and Jon  
Just banging and singing, why don't you all come along.  
'Cause we got it goin' on.  
Ah ha ha. Ah ha ha. Hey yeah. Ah ha.  
Ah ha ha. Ah ha ha. Hey yeah. Ah ha.

We got it, we got it, we got it goin' on.  
We got it, we got it, we got it goin' on.
