Thoughts are thought, From the heart. The fight is there, The fight is hard. Done with failure Walk the line. Done with hardship, Wasting time. Pushing harder On the edge. Keeping balance On the ledge. Believing then, Believing now, Giving in Don't know how

Fighting harder!

Thoughts are thought, From the heart.
The fight is there,
The fight is hard.
Done with failure
Walk the line.
Done with hardship,
Wasting time.

Fighting harder!
