

Intro

Bow Wow

Its like shad mosses diary i've been dealing with the price of
fame from the the begining
of this year until now even til this even til this day every ar
tist goes through that point
you know what ever happens happens umh that mental break down i
m dealing wit the price of
fame i was like i hear that term all the time but i dont think
people really understand
what that means (what thay means)
