

# Like You

**Bow Wow**

I ain't never have nobody show me all the things that you do  
N show me in a special I feel when you hold me  
We gon always be together  
Baby that's what you told me  
And I believe it, 'cause I ain't have nobody do me like you

Now I'd been with different kind of girls  
So I like seen em all  
But like none of em are at all (like you)  
And id seen the best of the best  
But still baby I ain't impressed  
'Cause none of them are at all (like you)  
And you know how I feel when I chill  
If I'm single with a girl then she gotta be just (like you)  
And baby that's the way I feel  
And I ain't got no choice  
But for me to keep it real  
'cause when first got together, started hanging out  
You was skeptical, at first I had to figure out if  
I was the kind of guy to try to dug you out  
But I ain't that kind of guy you try to make me out  
You found out when you  
Turned to my baby, I showed them other brothers how to treat a lady  
I let you drive when I ride that Mercedes  
And I ain't trippin' or acting shady 'cause baby you know

I ain't never have nobody show me all the things that you do  
N show me in a special I feel when you hold me  
We gon always be together  
Baby that's what you told me  
And I believe it, 'cause I ain't have nobody do me like you

And every time I think about you (i have)  
When you cried when you call when you come around  
Your love is amazing to me  
I can't wait till I see you  
I want to be with you again  
And every time your out on the road (ill make the trip)  
And whenever I'm doing a show (don't you forget)  
That I'm your main chick who got the game chick  
One of the same chick, the one you can hang with

I ain't never have nobody show me all the things that you do  
N show me in a special I feel when you hold me  
We gon always be together  
Baby that's what you told me  
And I believe it, 'cause I ain't have nobody do me like you

Okay hit the mall pop tags spend a few geez  
Then hit the runway to a new season  
See it ain't nothing sport it when I care for  
Feel like I'm not doing enough  
That's when I share more  
I give you this, give you that what you need love  
You know I got it, holla at me if you need love  
And affection 'cause ill be your protection  
Kinda hard job but I do it to perfection

And you can tell that I ain't trying to let you go  
I get with you when I can  
So that's how I let you know  
You be tripping 'cause sometimes I gotta go  
But you the first one  
I holla to ride up at my shows  
And I was trippin in a sense I was tense  
But my body don't surround you  
Wat I'm a do with out you  
I gotta get it together say whatever  
But since I met you, my life seems so much better

I ain't never have nobody show me all the things that you do  
N show me in a special I feel when you hold me  
We gon always be together  
Baby that's what you told me  
And I believe it, 'cause I ain't have nobody do me like you
