Shake It

Ah hah hah (show time) Shake it two time Shake it one time, shake it two time Shake it one time, shake it two time Shake it one, two two, one one two two two One time, shake it two time Shake it one time, shake it two time (ladies) Shake it one time, shake it two time Shake it one time

Let's shake it one time baby, your two times baby I'm Bow Wow, you know how I do now baby A new style, and I got a new sound baby In my wrist, ear, neck, bling, (plow) (hah) Easy on 'em, they sayin' be easy on 'em I'm sayin' be Weezy, don't be playin' I'm too freezy on 'em, I'm frozen 'Cause VBs on 'em, float with the TV on 'em Floatin' the GT on 'em, floatin' like Jesus on 'em They gonna go on and more on much murder You can't resuscitate him Who's fatal for hate forsaken, I keep the ladies waitin' I keep the ladies paintin' and drippin' and change 'em When I'm trippin', grippin' the grain and Switchin' up lanes I make 'em shake it

One time, shake it two time Shake it one time, shake it two time Shake it one time, shake it two time Shake it one, two two, one one two two two One time, shake it two time Shake it one time, shake it two time (ladies) Shake it one time, shake it two time Shake it one time

Shake it for me momma all around like you never shake Shake it for me momma off the ground, make you levitate I get you so wet bet you I make your levy break (Drop it, dr-drop it, dr-drop it) Yeah 'cause I'm a heavy weight Flyin' up to levitate baby so I don't ever hate I pop it off in there, stay baby so I don't ever wait Money's not a problem Lil' Mama but I don't ever pay Just wrap it up and shake your body like a Chevrolet Impala, and you can smell the polish The whip be stylin' like I took it to the beauty parlor You know how we be right, this time I brought my partner They call me Lamborghini Moss, swizz the monster

I say one time, shake it two time Shake it one time, shake it two time Shake it one time, shake it two time Shake it one, two two, one one two two two One time, shake it two time Shake it one time, shake it two time (ladies) Shake it one time, shake it two time Shake it one

Bow Wow

If you got your head done shake it one time (hey) If you got your nails done shake it two time (hey) If you keep your feet done shake it three times (hey) If you don't need a man shake it mo' times If you got your head done shake it one time (one time) If you got your nails done shake it two times (two times) If you keep your feet done shake it three times If you don't need a man shake it mo' times

One time, shake it two time Shake it one time, shake it two time Shake it one time, shake it two time Shake it one, two two, one one two two two (yeah) One time, shake it two time Shake it one time, shake it two time (ladies) Shake it one time, shake it two time Shake it one time

(Drop it, dr-drop it, drop it, dr-drop it) Swiss, now bring it back like...
