## **Take Ya Home**

"Take Ya Home"

From the C-O to across the seas I'm guaranteed to everybody bounce w/ me Been known to put it down anyplace I be You can copy but it's only gon' be one me I don't ride in no cars till a man come wit me 14 and i started up a whole epidemic Look, ya'll know what I'm talkin about Ever since I hooked up with the homie down south TV shows, magazine covers Girls in groups sayin, "We go w/ each other." Sold out shows, pocket full of cake What you know about selling tres mil out the gate? I'm the hottest thang around Neck full of bling, bling like the neptune sound I got it locked on the left, right, front & rear When I step up in the spot this is all I hear

I said Lil' Bow Wow you just don't know The way you move so fast across the floor I mean you run through my mind like all the time To the point that I just wanna take ya home

Right now, when I'm old, where I'm gonna be How I flow, homie you can bet the house on me I'ma forever be up under the scope I ain't tryin' to go out like Todd Bridges off Different Strokes I was born to rock, born to rhyme What you lookin' at is somethin' that's before their time Like the number 2-3 in the red and black Mr. 106 & Park is back...HOLLA! I do it like no other And attract mo' family than Ringling Brothers I got 'em scattered, covered, smothered like hash browns See I'm the best just ask around I'm here now, and ain't nobody takin' mine It's a waste of time if you thinkin' you can You betta off gettin' a shirt, makin' a sign that reads "Shad Moss, I'm yo number 1 fan!"

I said Lil' Bow Wow you just don't know The way you move so fast across the floor I mean you run through my mind like all the time To the point that I just wanna take ya home
