All Figured Out

Bowling For Soup

- 1. I was the one who had shit for brains I never took the time to notice That I was always wrong and you weren't You were the one who gave up so many things Took you for granted But you understanded It was just a phase
- *: And I've got a new direction
 A blueprint for erection of new life
 A blueprint for erection of new life
 It's such a simple situation
 Some kind of masturbation
 With a new twist
 I don't know why

R: I've got it all figured out We can make it And I'll never let you down Just take my hand And understand There's a lot of tomorrows I let you down You had no complaints Watched as the world went spinn' Around without you You waited for me You wanted diamonds I came up with rollerblades Shot down again but you smiled And shook your head And knew that I had changed
