- 1. I used to see you every morning Even when I didn't want to You used to like to watch us play downtown As long as I sang a song for you
- R: But nothing stays the same
 And it's drivin' me insane
 Oh, you know we've got it so bad
 And nothing you can say
 Can make me want to stay
 But still you're hangin' on
- 2. You say you never saw this comin' So why does it always fall on you I think you call me every time you see a phone You hang but I know its you
