

# Since We Broke Up

## Bowling For Soup

I finally boxed up all the pictures of you  
And all the memories that you left behind

I've been staying up late  
And hanging with all my friends  
No more Oprah on the TV only ESPN  
And now I can't sleep till 3  
Na na na na  
Na na na na na  
I've been throwing my...  
And all the girls are checking me out  
All my bills are paid  
And there's cheddar in my check in account  
And I don't think much about you  
Na na na na  
Na na na na na

Everything they sense  
Looking from a distance  
All the things you did  
And all the things you didn't  
There's nothing left to me  
Instead of doing you  
I was drunk on love  
Never coming to

Since we broke up I never have to wash machines  
I get the mail ion my underwear  
I can grow out my beard  
And then shave it like I just don't care  
And I'm doing fine without you

Everything they sense  
Looking from a distance  
All the things you did  
And all the things you didn't  
There's nothing left to me  
Instead of doing you  
I was drunk on love  
Never coming to

Sometimes I think about the first time we kissed  
I swore that our love would stand the test of time  
But now that it's over, I'm not even hung-over  
Get out of sight, get out of my fucking mind  
Suck it!

Everything they sense  
Looking from a distance  
All the things you did  
And all the things you didn't  
There's nothing left to me  
Instead of doing you  
I was drunk on love  
Never coming to  
Yeah!  
Yeah, yeah!

Since we broke up!  
Since we broke up!  
Since we broke up!  
Since we broke up!  
Since we broke up!  
Since we broke up!
