

# Surf Colorado

## Bowling For Soup

I saw you there  
Your long brown hair  
Falling on your face the way it used to fall on mine  
At one time  
A long time ago  
I still remember everything you said to me that night

It's too bad and it's too late  
You were such a big mistake  
Please don't call here anymore  
I used to miss you

There's no surfin Colorado anyway  
And it's a shame to hear you're happy and you still look at me that way  
There's no surfin Colorado anyway, yeah  
She never waved to me or said "good Bye"  
One night she just left me and her behind

There she goes  
And no one knows  
What she does to my heart, still, she'll never know  
How we speak  
Across the room  
Eye to eye she's holding him, holding me soon

It's too bad and it's too late  
Was it such a big mistake?  
You don't call me anymore  
And I still miss you

There's no surfin Colorado anyway  
And it's a shame to hear you're happy and you still look at me that way  
There's no surfin Colorado anyway, yeah  
She never waved to me or said "good Bye"  
One night she just left me and her behind

Remember the first time  
God Damn we got so high  
She held me so close that I thought that I might break  
And know she's a mile high  
And I'm on Texas time  
She traded rattlesnakes for bunny runs in Colorado Springs

There's no surfin Colorado anyway  
And it's a shame to hear you're happy and you still look at me that way  
There's no surfin Colorado anyway, yeah  
She never waved to me or said "good Bye"  
One night she just left me and her behind
