

Are You Too Afraid

Boy George

Watching you walk away right out of my life
Hearing the things that you say love overdrive
So what are these special feelings you have for me
Am I an all time loser why can't you see
Only your love can make me feel the way I do
Only your love can make me keep on loving you
gonna keep on loving you
baby, are you too afraid you found it
baby, are you too afraid you found it
baby, are you too afraid you found it
baby, are you too afraid you found my love
If you should say my affection is a waste of your time
If you should walk away well I'd say that's fine
Only your love can make me feel the way I do
Only your love can make me keep on loving you
gonna keep on loving you
Don't put it off
Why don't you sense your pillow
Ain't got no time to waste
In your case baby
I feel afraid
I feel afraid
Only your love can make me feel the way I do
Only your love can make me keep on loving you
gonna keep on loving you
Stay, won't you put your arms around me
Stay, cos you'll be so glad you found it
Stay, won't you wrap your arms around me
Stay, cos you'll be so glad you found me
Stay with me tonight
Why don't you?
